Almost three years on from its opening, the City Football Academy won three awards at the RIBA 2017 Awards – the RIBA North West Award, RIBA North West Sustainability Award and RIBA North West Client of the Year.

Environmental efficiency remains a focus, and in 2016-17 the site maintained 0% waste to landfill and reduced use of mains sourced water by 83% due to increased recycling and drawing of waters from the bore-hole. Energy consumption was reduced across the Etihad Campus: by 60% in the City@Home and City Store buildings following further expansion of LED lights to replace conventional lighting, and by 20% in the Etihad and Academy Stadia following optimisation of the changed floodlighting schedule.

Community access is an important part of the City Football Academy (CFA). In addition to 40 hours of community football activity on-site each week, the facility is host to monthly supporter club meetings, fundraising events and local residents' meetings.

The City Football Academy hosts 40 hours of community football every week
